

What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Drop into our store today, just to talk over the merits of this wonderful Prescription.

the most brilliantly illuminated in the country, will be given up to a masquerade carnival, with prizes for the most beautiful and most grotesque costumes worn by masqueraders. The night will be surrendered to general jollification, a veritable Mardi Gras event without limitation to innocent fun.

ONE OF THE UNITED STATES SCOUT CRUISERS AT SAVANNAH, APRIL 20-25.

The south Atlantic states are expected to be especially strongly represented.

Among world noted speakers from abroad is Sir William Willcocks, builder of the great Assouan dam in Egypt, who sailed from Cairo for this special purpose in March.

In appreciation of the importance of the congress to the material and health interests of the country the railroads have granted very low rates to Savannah from all points south of the Ohio and east of the Mississippi rivers.

For their entertainment an attractive program has been prepared. Profes-

has been designated as Tybee for Seashore day, with an excellent schedule to Tybee Island, one of the south's noted beaches, where there will be dancing on the great pavilions, military dress-parade and concert and other features.

There is no more delightful place on a warm spring day than Tybee beach.

During the week there will be other features of the program of entertainment that will be a source of pleasure.

The rates on the railroads are good for ten days, not expiring until mid-

sional baseball will mark every day of the week, Savannah versus Columbia the first three and Savannah versus Charleston the last three days. The navy department has ordered an imposing array of war vessels to Savannah for the week, including cruisers, torpedo boats and torpedo boat destroyers. These will be open for public inspection every day, and an opportunity will be afforded to visitors to study life on these interesting fighting craft. The jacksies from the ships, the garrison from Fort Screven, with its famous military band; the local military, consisting of ten companies of infantry, two batteries of artillery and a company of cavalry, and other local organizations, will participate in a great military and civic demonstration on Thursday afternoon, April 23, in a sense escorting the floral parade at that time, which has been organized by Lachlan McIntosh chapter, D. As the climate of Savannah at this period of the year is unsurpassed in the world for outdoor enjoyment and Savannah, the south's "Forest City," is then in beautiful in its fresh dress of verdure the expectations of a large attendance on the congress and of visitors in general are not apt to be disappointed.
